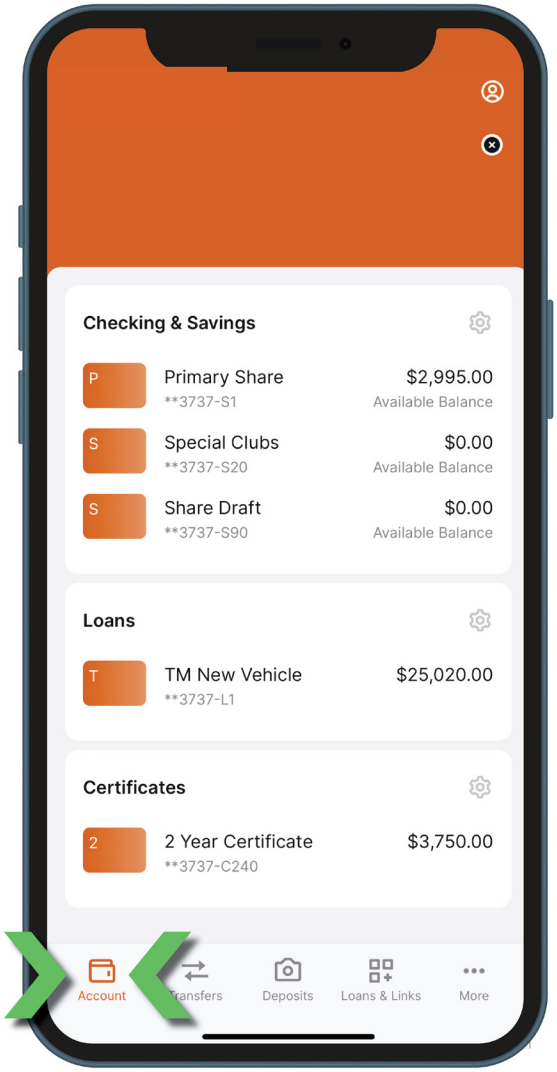
Trademark's New Mobile App

Managing your finances is now easier than ever, with our new and improved mobile app! Read through to see all the features and learn where everything is located.

Your Accounts

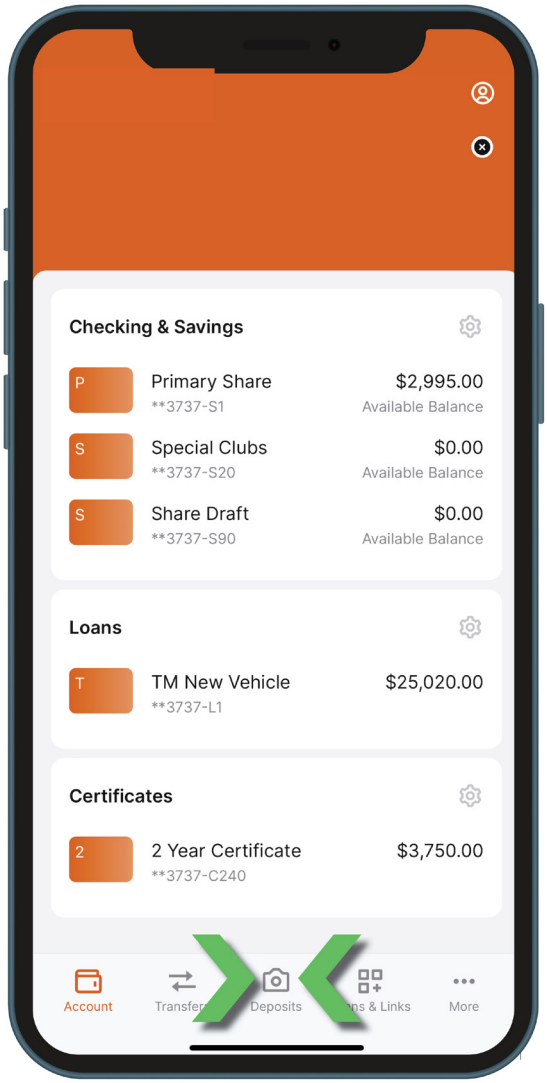
Your accounts are all listed under the "Account" tab. This page will be the first that pops up once you log in. To view transactions for each account, simply touch the account you want to look at.

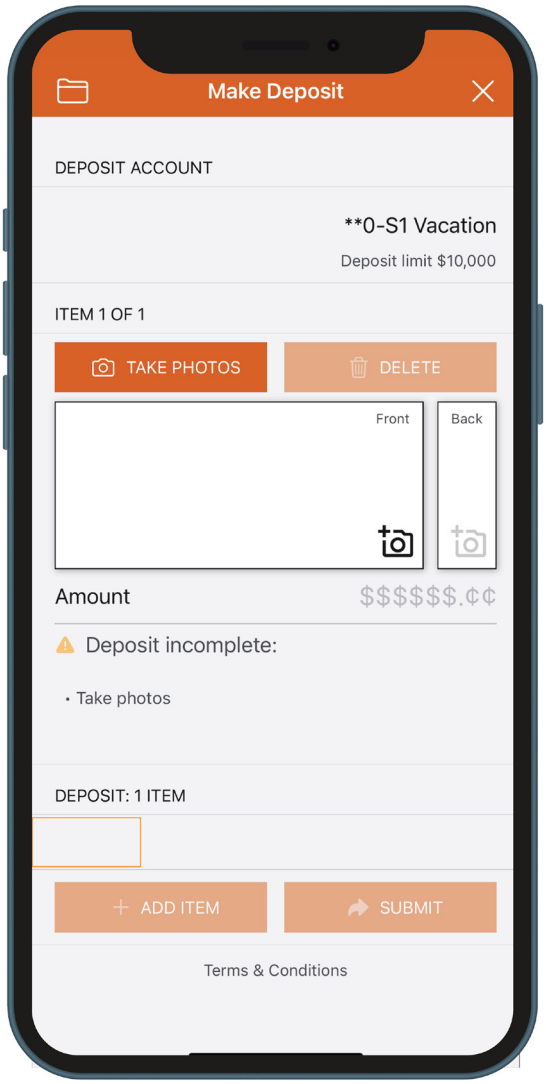


Deposits

This feature is just as simple as it was on the old app!

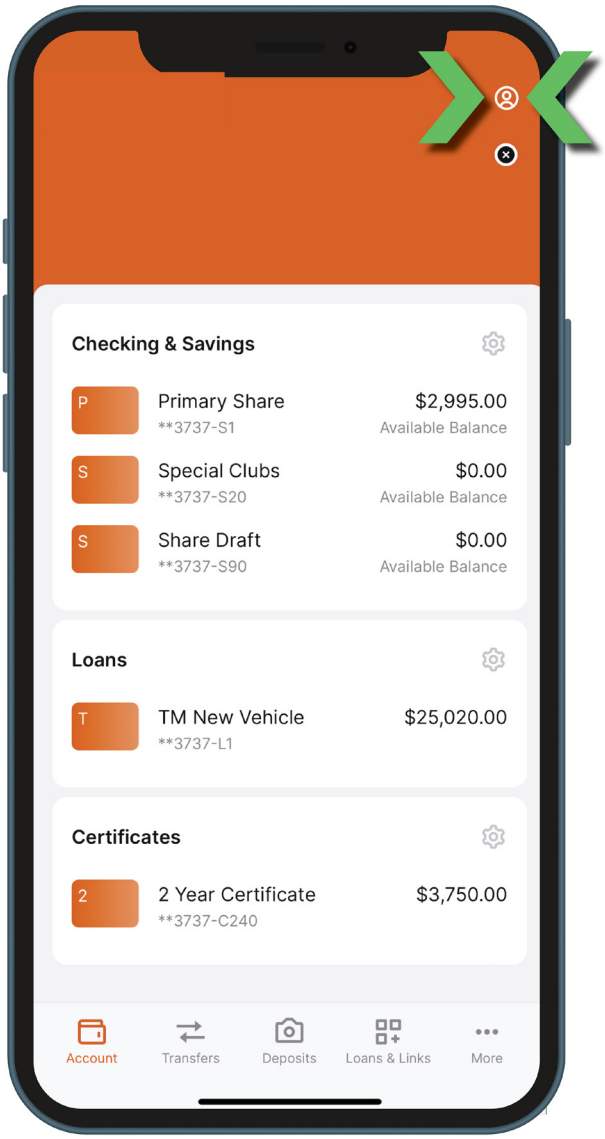
Simply tap “Deposits” at the bottom of the screen and follow the prompts to deposit a check from wherever you are.

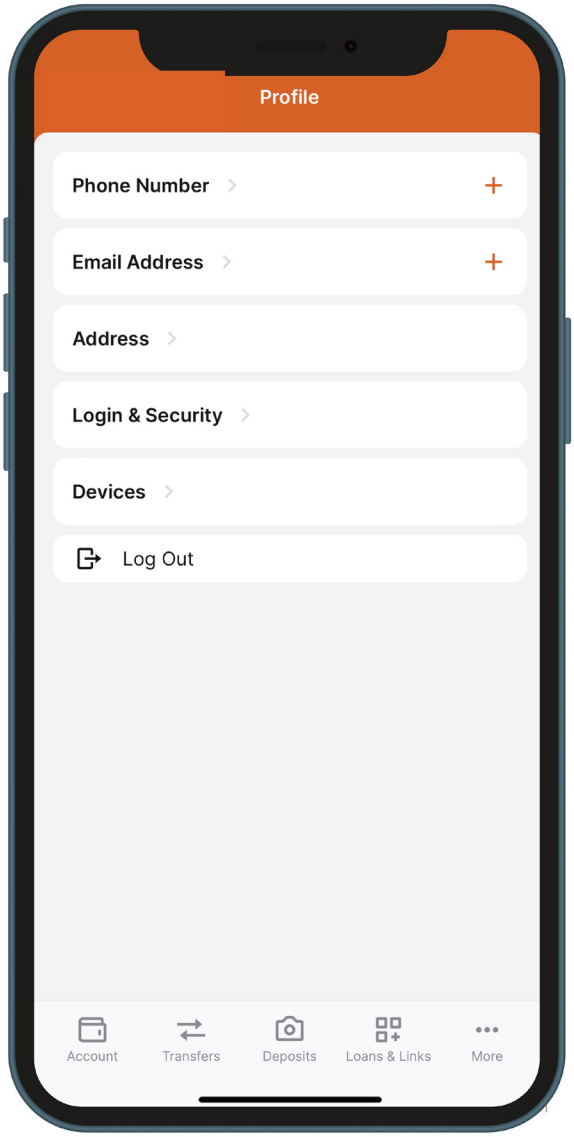




Profile

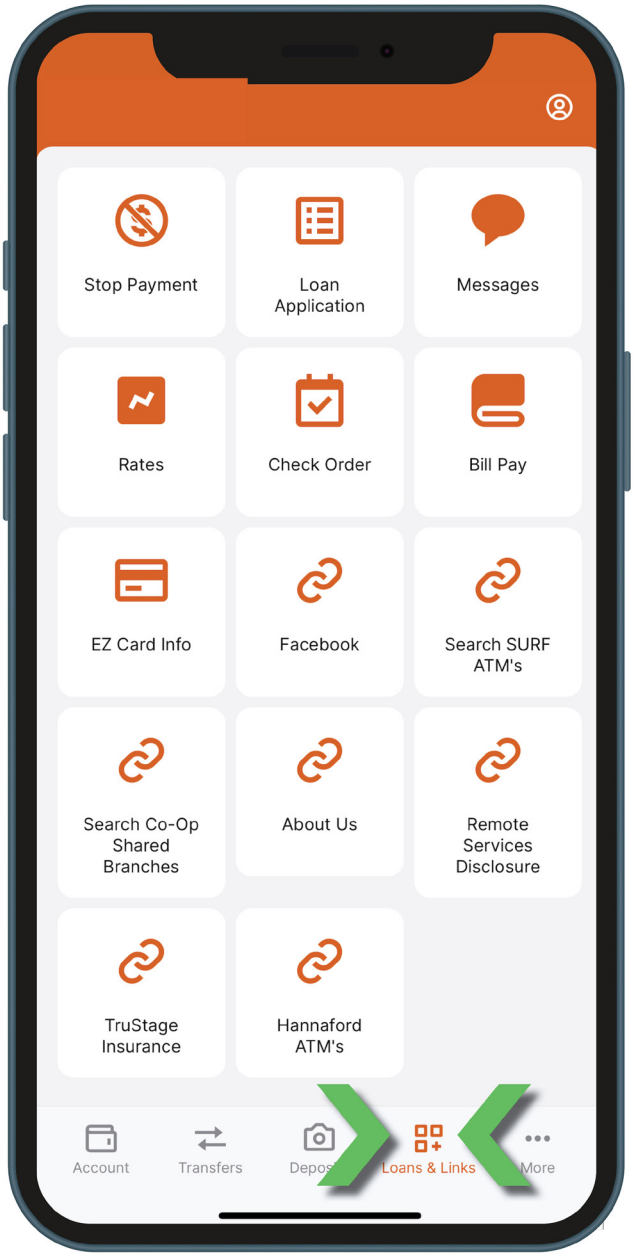
You can access your profile by tapping the icon in the top, right corner of your screen. Here you can add and edit your contact information, track your devices, and make changes to your credentials and security questions.





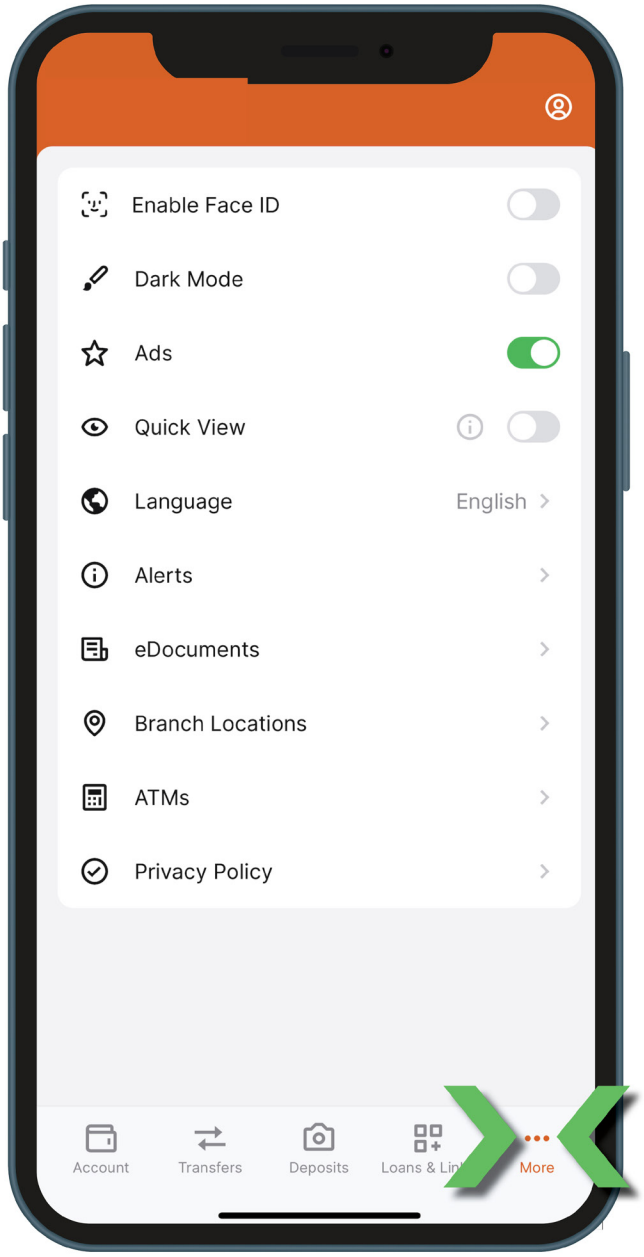
Loans and Links

We have added some important links for you in this section, as well as a quick and easy way for you to apply for a loan.

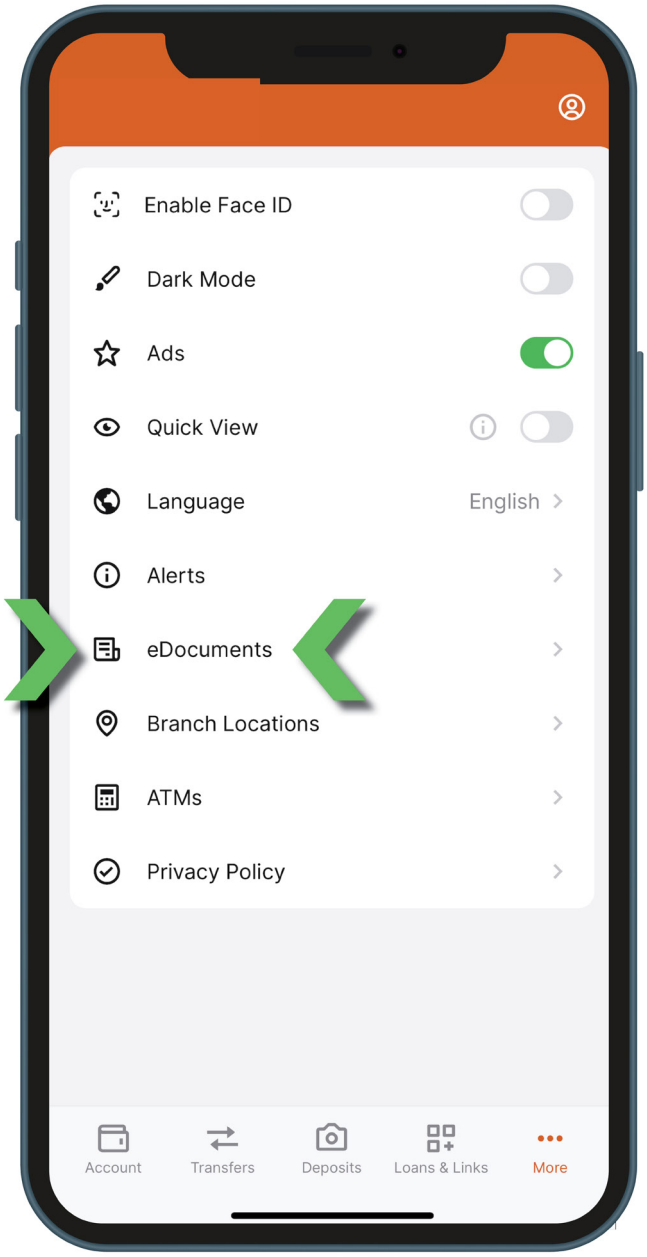


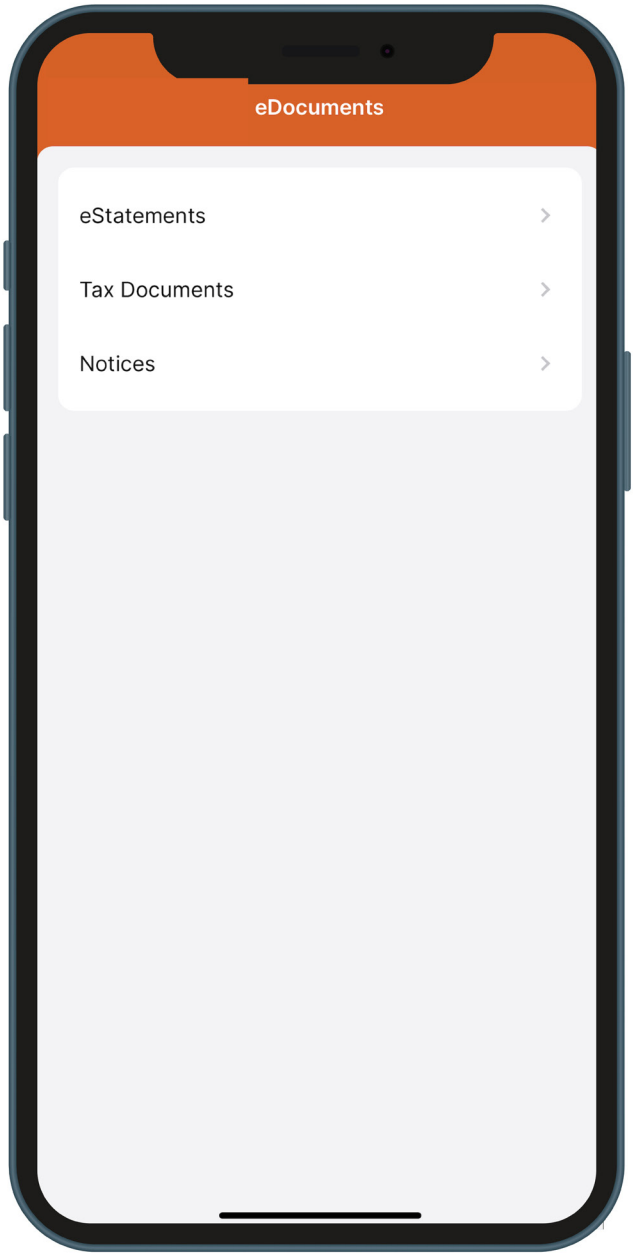
More

Here, you can find personal app settings, access Member Alerts and find links to useful features and information.



New Feature!

Links to your important documents, can now be found in one convenient location! Under the More section, simply tap eDocuments to find the following:




eStatements
Tax Documents
Notices
