

Offering You Instant Control with Card Lock

Losing your debit card can be a stressful experience, but now, regaining control is just a few taps away. With our Card Lock feature, you hold the power to instantly freeze your card, preventing any unauthorized transactions. Whether you've misplaced your card or suspect it might be compromised, this feature gives you the peace of mind you deserve.

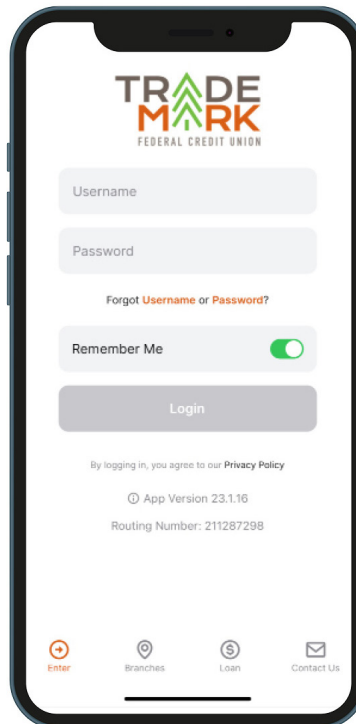

Seamless and Convenient

Accessing the Card Lock feature is incredibly straightforward and happens in real-time. No matter where you are, day or night.

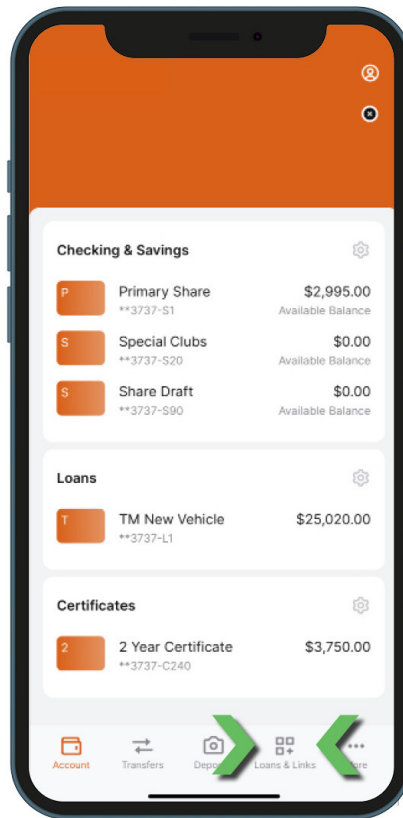

Simply follow the easy step-by-step directions below, for each platform.

Trademark Mobile

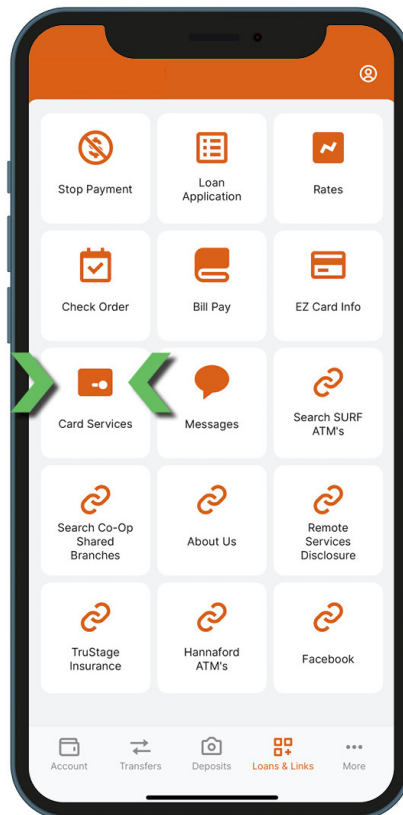

Log into your Trademark Mobile App.

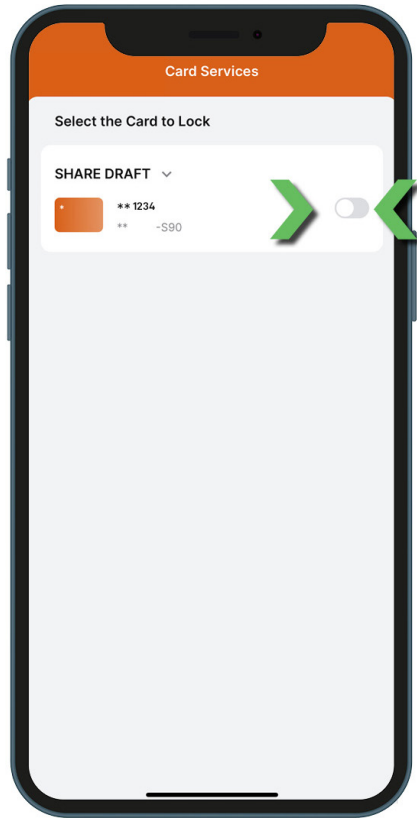

Once logged in, click on "Loans & Links" at the bottom of your screen.

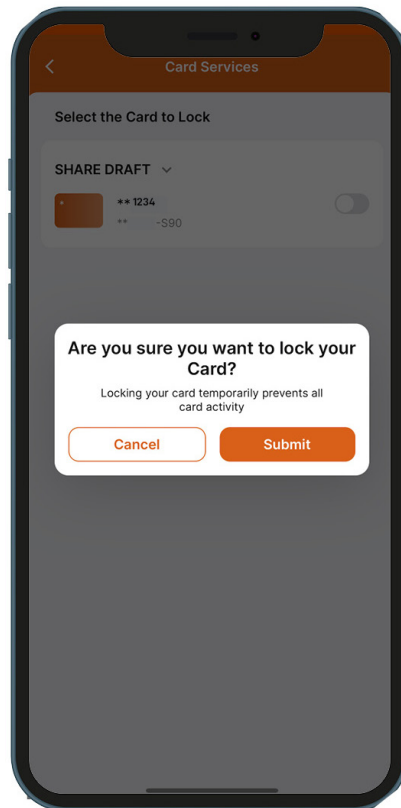

Click on "Card Services".

You will then see your card(s) listed and have the option to toggle "on" to lock the selected debit card.

A confirmation box will appear, and you will need to click "Submit" to complete the card lock.

Trademark Online - Desktop Version

Visit www.TrademarkFCU.org to log into your Trademark Online account.

First Time Users: Please login using your account number as your username and the last four (4) digits of your SSN as your password.
