

The Griffin-Guerrette Charitable Giving Fund

APPLICATION FORM

HISTORY & MISSION

The Griffin-Guerrette Charitable Giving Fund was established by the Board of Directors in March 2012 to recognize Judith A. Griffin and Paul J. Guerrette for nearly seventy years of dedicated service to Trademark Federal Credit Union and to the communities surrounding the Augusta area.

Judy began her 45-year Credit Union career in 1967, working in all areas of the operations before retiring in 2012. On her way to the position of President/CEO, where she remained for 25 years, she met Paul, a recent graduate with a degree in geology looking for work. Paul started at the Credit Union in 1986 and rose to the position of Executive Vice President through hard work, dedication, and a penchant for solving problems and providing for unmet needs.

After joining forces, they became a productive, compassionate, and inseparable team, combining their talents to serve the Credit Union, the Members, and their fellow citizens – at work and in their personal lives. Their service provided a constant source of inspiration to their family, friends, colleagues, and acquaintances alike. Their commitment defines the philosophy behind this annual community award.

The mission of this fund is to assist human service, social welfare, or other charitable, non-profit organizations in Kennebec County by making an annual donation of One Thousand Dollars (\$1,000) to an agency selected through this application process.
