

Easily Transfer Money to Your Trademark Account!

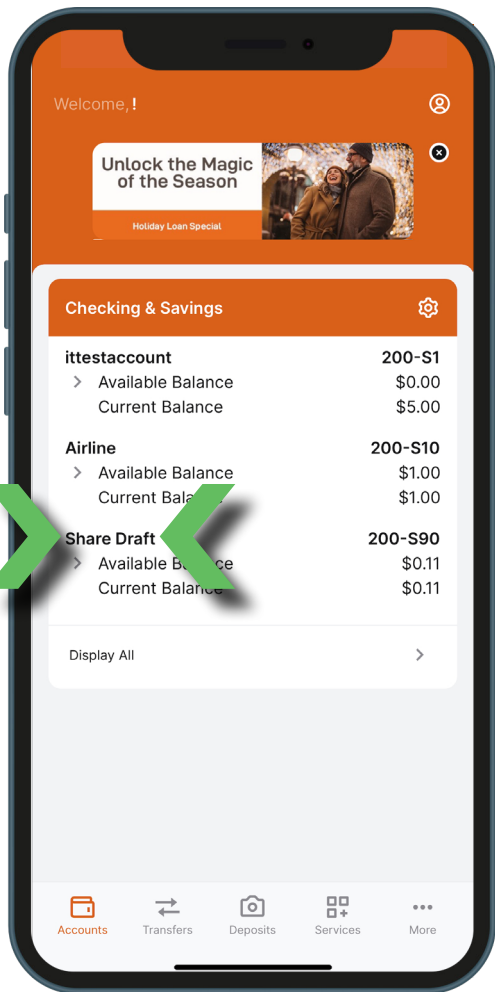

Now, you can send money to your Trademark account through popular apps like Venmo, Zelle, Cash App, and more.

To link your Trademark account to these apps, you'll need to provide the routing and account number:

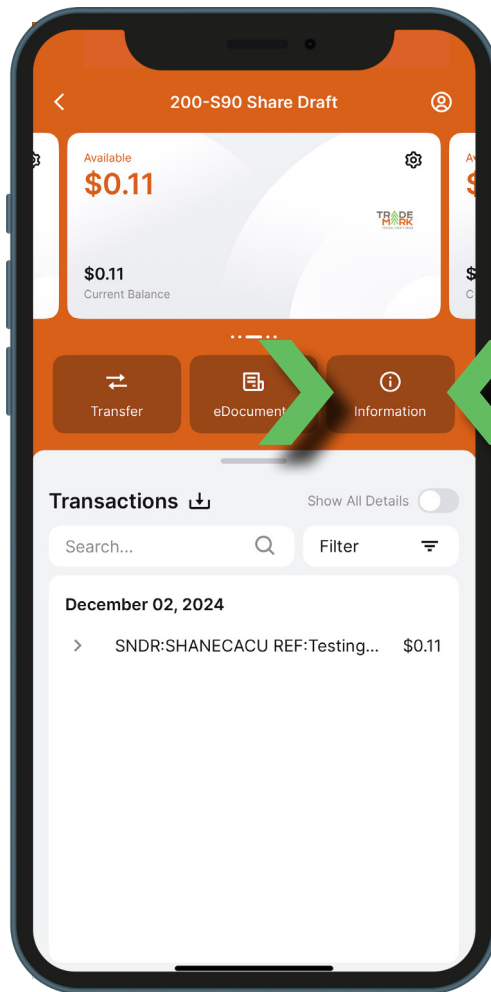

Trademark Routing Number: 211287298

Account Number: Find the correct number for this by following these steps in the Trademark mobile app or online banking:

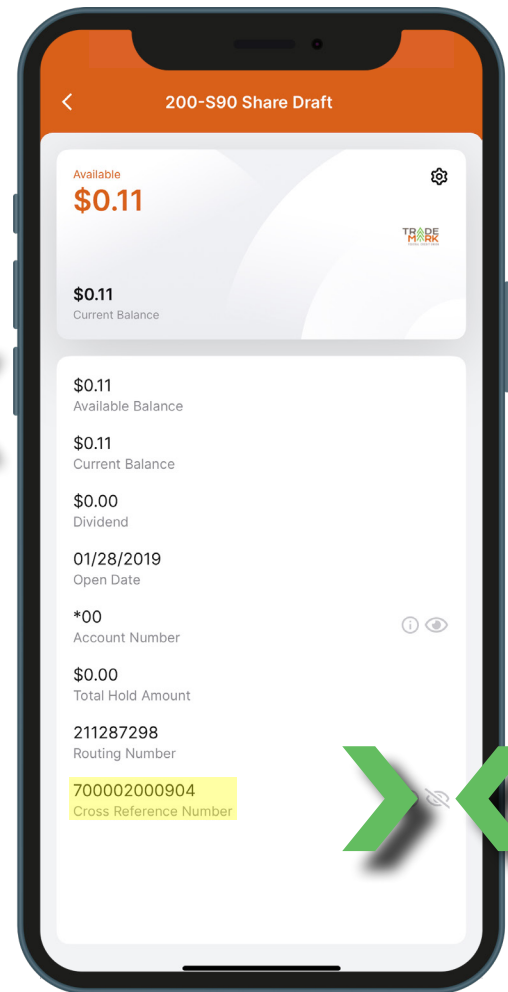

How to Find Account Number in Trademark Mobile

Step 1: Click on your Share Account

Step 2: Click on Information

Step 3: Click on the "eye" icon to see the cross-reference number.

How to Find Account Number in Trademark Online

Step 1: Click on your Share Draft

The screenshot shows the Trademark Federal Credit Union website. The navigation menu includes Home, Transfers, Online Services, Message Center, My Profile, and Logout. A notification bar states "You have been successfully authenticated!". Below this is a promotional banner for "Unlock the Magic of the Season" with a "Holiday Loan Special" button. A row of icons for refresh, print, email, profile, and notifications is visible. The "Account Summary" section includes a sub-header "Checking & Savings" and a table with the following data:

Account	Description	Balance	Available	Dividend
200-S1	iftestaccount	\$5.00	\$0.00	\$0.00
200-S10	Airline	\$1.00	\$1.00	\$0.00
200-S90	Share Draft	\$0.11	\$0.11	\$0.00

Green arrows point to the "Share Draft" row in the table.

Step 2: Use the Checking Account Number

The screenshot shows the Trademark Federal Credit Union website. The navigation menu includes Home, Transfers, Online Services, Message Center, My Profile, and Logout. A row of icons for back, print, email, profile, and notifications is visible. The "200-S91 Checking" section displays the following information:

Balance: \$0.00
Available: \$0.00
Checking Account Number: 700002000912

Below this is a "Show" section with a dropdown menu set to "All", a date range from "11/15/2024" to "12/16/2024", and a "Search" button. Green arrows point to the "Checking Account Number" field and the date range.

At the bottom, there are tabs for "Quick Links", "Transaction History", and "Holds". A table header is visible with columns: Date, Effective, Description, Amount, Balance, and Available. A message at the bottom states: "You have no transactions to display. Please adjust the date range and filter type using the controls above."
