5-Year ^{2,3,5}	3.20%	3.25%	Monthly	\$1,000.00	\$1,000.00	Day-In-Day-Out		

ACCOUNT RATE & TERMS - the terms shown apply to your account(s) as of the date stated above. Other rates and terms may be offered from time to time. Please contact us for the most current rate & fee info.

ACCOUNT LIMITATIONS

A minimum balance is required to establish accounts and earn dividends for all account types, except Share Draft (checking)

1 - 6 & 12 month Certificates have a 30-day dividend penalty for early withdrawal whether the dividend has been earned or not.

2 - 2, 3 & 5 year Certificates have a 180-day dividend penalty for early withdrawal whether the dividend has been earned or not.

3 - Certificates are automatically renewed for the same term at then current rates, unless otherwise indicated by the member in advance of the renewal date.

4 - Youth Certificates require \$25.00 min. balance for dividends. The amount of the early withdrawal penalty for your account is 30 days' dividends. Must be associated with a primary share account held by a member no older than 18 years of age. After the account holder becomes 18, upon maturity the Youth Certificate will automatically renew as a Regular Share Certificate, for the same term at then current rates, unless otherwise indicated by the member in advance of the renewal date.

5 - Required minimum distributions from IRA Certificates are subject to early withdrawal penalties.

6 - Earn 2.00% APY on balance up to \$3,000 in YOURMark Checking account after 30 swipes. To qualify, Member must have monthly direct deposits equaling \$500. Balance from rewards will be automatically transferred into YOURMark Share Account at the end of each month.

TRUTH-IN-SAVINGS-ACCOUNT-DISCLOSURE - Except as specifically described, the following disclosures apply to all of the above accounts.

RATE INFORMATION - The Annual Percentage Yield (APY) is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for a 365-day period. The APY is based on the assumption that dividends will remain on deposit until maturity. A withdrawal will reduce earnings. The Dividend Rate and the Annual Percentage Yield may change monthly as determined by the Credit Union's Board of Directors.

NATURE OF DIVIDENDS - Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

COMPOUNDING & CREDITING - Dividends are compounded and credited each Dividend Period. Dividend Period begins on the first calendar day of each month and ends on the last calendar day of each month.

ACCRUAL OF DIVIDENDS - Dividends begin to accrue on cash and non-cash deposits (e.g. checks) on the business day that you make the deposit to your account. If you close your account before accrued dividends are credited, you will be credited at that time for all dividends earned excluding the current business day.

BALANCE INFORMATION - The minimum balance required to open each account and the minimum balance required to earn dividends are set forth above. Dividends are calculated using the Day-In-Day-Out method. The Day-In-Day-Out method applies a daily rate to the full balance each day and accrues that amount for crediting at the end of the dividend period.

ACCOUNT LIMITATIONS - The account limitations for each account are set forth above.
